Alexandria, VA 22313

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION**

S I R:

In response to the Notice of Abandonment mailed March 27, 2009, Applicant hereby petitions to withdraw the holding of abandonment of the above-identified application.

Applicant petitions under 37 CFR 1.181(a) requesting withdrawal of the holding of abandonment because the office action was never received in the mail.

Submitted herewith are copies of the logbook of incoming mail of the undersigned attorney showing that the office action was not received during the period of September 15, 2008 through October 31, 2008.

In addition, a search of the file jacket of the application has been performed by the undersigned attorney but the office action was not found. Also submitted is a copy of the month of December 2008 of a calendar maintained by the undersigned attorney by docket number and the type of response required. Once all communications received from the USPTO have been entered in the logbook, those communications which require a response are entered into the calendar. This calendar is checked daily and reminders are sent in connection with those applications where no response has yet been filed. If a response is filed, the docket number is crossed out in the calendar. This system has proven reliable and has been used by the undersigned attorney for the last fifteen years without problems.

Accordingly, it is respectfully submitted that this petition should be granted and the office action be remailed.

The Commissioner is authorized to charge any fees or charges required at this time in connection with this application to Patent and Trademark Office Deposit Account No. 11-1835.

Respectfully submitted,

Friedrich Kueffner
